Glossary

Volume Types

Personal Qualification Volume (PV-Q)

Qualifying volume from client orders: matches retail price. Personal commission will be paid on a monthly basis to all Stylists with a PV-Q greater than zero. PV-Q is calculated after all discounts have been applied to the order and does not include taxes and shipping cost.

Personal Commissionable Volume (PV-C)

Commissionable volume earned from client orders; a percentage of retail price. Full price J.Hilburn products to be paid out at 100% commissionable volume. Third party brands and any J.Hilburn sale items to be paid at 50% commissionable volume.

Team Volume (TV)

Your personal PV-Q plus your Team PV-Q from Levels 1 through 3.

Downline Volume (DV)

Your PV-Q plus your entire downline PV-Q (includes your Team Volume and volume from your Generations).

Maximum Leg Contribution

For Team Volume and Downline Volume, up to 50% of the minimum volume required per Paid-As Title may be contributed by any single Leg. At the NEP title, up to 40% may be contributed by or any single Leg. There is no restriction on PV-Q for the DV qualification and TV qualification. Thus, 100% of a Stylist's PV-Q is eligible to contribute to DV and TV qualification.

Trailing Three Month Volume (TTMPV)

PV-Q from the current month plus the two previous months.

Organizational Definitions

Career Title

A Stylist's Paid-As Title, or Bonus Title, is recalculated each Commission period. It is the Title used to determine qualifications for Commissions and can fluctuate throughout the month based on qualifications.

Leg

Every Stylist that is direct (Level 1) to you creates a Leg. A Stylist with 8 first-level Stylists has 8 Legs.

Active Leg

A Leg that includes an Active Stylist anywhere in the Leg. Only Active Legs count toward Career Plan qualifications.

Generation

A Generation begins with a Career Title Managing Partner or higher and includes all the Stylists in their downline, down to but excluding the next Career Title Managing Partner or higher.

Generation 0

Generation 0 includes each Stylist in your downline, down to but excluding the first Career Title Managing Partner or higher and their downline. A first Career Title Managing Partner or higher creates a new Generation (Generation 1). Every Career Title is reviewed on a monthly basis. The highest Career Title achieved within a six month look back period will determine the applicable Generation for compensation bonuses for a given month.
